## A Memorable Summer of Camp

The 2018 summer camping season was another memorable time at Camp Neotez. Over 300 campers ranging from kindergarteners to graduated high school seniors filled the Valley with songs, laughs, hugs, fun and even a few tears (have you ever been homesick?).

The Lord was present every day this summer, at work in the hearts of our campers and staff, including 14 youth who gave their lives to Jesus and were baptized in Crystal Falls. Praise God!

We introduced an early sign-up discount and rolled out an on-line registration option. We even tried to have a shortened Family Camp – maybe this will draw more interest in the future.

One huge facility improvement, a new floor in the steel building, made quite an impact on how our campers used that facility. Your generosity helped make this possible. What would our kids do without you?

Let's pray the Lord will bless and grow all the godly seeds that were planted this past summer at Neotez.

## Amazing Improvements

If you had an opportunity to go down to camp this summer, you may have noticed some new and improved features including drinking fountains installed near the Pine Lodge, First Aid Cabin, and in front of the Steel Building to give our campers a cool refresher before their next event. The Amphitheater was rebuilt and a covered roof was added after a storm caused a large tree limb to fall through the old, uncovered roof, that tree has since been removed. The Steel Building floor was upgraded to a gym flooring system to provide another area for campers to play and give camp a safer and more functional multipurpose space.

Starting this fall, new benches will be added to the Amphitheater. In addition, Stone Castle will have a new roof installed and the porch will be renovated. Your continued support allows camp to complete these projects and maintain our current facilities to provide a safe and welcoming environment in which we can train youth to walk with Christ. For pictures of current and past projects, please visit camp's facebook page or website.

# EVERYTHING NE-O-TEZ IN 2019

**Madeline:**

"All teen week was just as great this summer as every other year. I always have a blast, and I love the banana pudding!"

**Coby:**

"A week at Camp has just the right balance between activities, Bible classes and devotionals, and time hanging out with my friends."

**Nathan:**

"This was my first time to go to Neotez. Our campfire at Inspiration Point was my best part of the week."

**Don't take our word for it - - read what our campers say about 2018 Ne-O-Tez!....**

**Neka:**

"I graduated from high school in May, so this is my last time to be a camper. I gave my first-ever campfire devotional! I love 'quiet time' every day. The float trip is always a lot of fun, and I love the food!"

**Emma:**

I make room for Neotez because it's a time to spend with God along side being with friends and others who share in the Lord. I love being out at camp every year and I always leave feeling stronger in my faith.

## A life-changing week!

This summer's camp sessions impacted our campers in many ways. This was evidenced in part by the 14 youth who gave their lives to Christ in baptism at Neotez. These young women and men came home "new people", inspired by the staff, their friends and the Holy Spirit. See and hear from a few of them below:

*Ne-O-Tez has been a light in my life. It's given me a chance to really understand why I choose to be a Christian. This past summer I chose to be baptized at Ne-O-Tez because of the teaching provided. I learned how important Jesus was. I had always known about Him, but I never knew Him personally, until Ne-O-Tez showed me the way. My life cup felt empty, but the week I decided to be baptized, it became full. As I looked around at my brothers and sisters in Christ, I knew it was time to accept Him and love Him. I will never regret my decision, and Ne-O-Tez will forever remain a huge part of my life....Nolan*

*Neotez isn't something that can be summed up in a couple sentences. I could write an essay on how Camp has changed my life so much - from the jokes and stories I share with friends across the states, to being baptized in Crystal Falls this summer. This Camp changes people's lives. I wouldn't be the person I am today if I hadn't gone to Neotez...Landon*

*Camp helped me with my decision to be baptized by surrounding me with people I could talk to about that decision. I had several people willing to teach me and guide me to do what was best. I chose to do this at Camp because Neotez has had the biggest impact on my spiritual growth. I wanted to be baptized in a place filled with God's presence and people who helped me along my journey...Amy*
